Winter 2025

Hello from Bluebird Ridge! We hope you are well in this new year.

Our big beautiful broiler birds will be available again this year in June and September. Let us know in the next couple weeks how many birds you want for each batch and we will include them in our order from the hatchery next month. Can you do this **soon**? By February 3rd? With bird flu turning things topsy turvy in the poultry world we will be getting only enough chicks for those who use this pre-order form. Pick up dates are listed below, and if that doesn't work for you we will keep them until a more convenient time. Just let us know.

If you've had these meaty birds before you know how tender and juicy they are. Our birds go outside as they wish and scratch for worms, insects, and plants. We do not supplement their mash with antibiotics, medications, or hormones to artificially increase growth.

Broilers dress out between 7 and 10 pounds—almost the size of a small turkey! At our house they are good for three, four, even five good meals so one prep in the kitchen is good for several days. How great is that? Cost is the same as last year—\$3.75 per pound and we ask a \$5.00 deposit per bird when you order (deducted from the final cost). Broilers can be cut in half for smaller meals at an additional \$2.00 per bird. We will have two batches of broilers this summer and you can pick them up at our farm on these dates:

JUNE BROILERS

If possible please pick up your birds
Tuesday, June 3 from 4:00–7:00 PM.

If you can't pick up your birds then
just let us know.

We'll keep them in the freezer and you can
pick them up later in the week.

SEPTEMBER BROILERS

If possible please pick up your birds
Tuesday, September 30 from 4:00–7:00 PM.

If you can't pick up your birds then
just let us know.

We'll keep them in the freezer and you can
pick them up later in the week.

Print two copies of the form below. Send one to us with your deposit and keep the other to remember what you ordered. Bluebird Ridge chicken is *real* chicken and **thank you** for your order!
